Chronology of Very Suspicious Events In The Years Leading Up To The **"Pandemic"** & The Launch Of The Infamous **"Great Reset"**

Everything *in this document below is* ***fully referenced*** *with links to official sources. 27th May 2024 is a date of critical importance for mankind and will determine the future direction of humanity for better or for worse. Read on to see why.*

2001 – The World Health Organisation revises its funding rules to allow private & corporate interests to fund it.

The unelected, unaccountable **private** World Health Organisation (WHO) revises its funding rules so as to allow ANY **private or corporate** investor to fund them. Prior to this, the WHO was funded by the 194 individual member countries contributions.
This change in the rules allowed the likes of The Bill & Melinda Gates Foundation, GAVI (The Gates controlled "Vaccine Alliance") and the Big Pharmaceutical corporations (such as Pfizer, Astra Zeneca etc) to become funders of the WHO. ***Please Note:*** Big Pharma **IS NOT** a charity and just like any business, it wants something in return for its ***"donations"***. Big Pharma makes $BILLIONS in profits from people being sick and an absolute fortune from pandemics (thanks to the vaccines). For e.g. Pfizer have just recently posted a record $37 Billion third quarter profit for 2021 thanks to the Covid jab! That is Big Pharma's business model. Big Pharma LOVES "Pandemics"; they are a licence to print money even more so if their World Economic Forum politician mates make them mandatory. Bill Gates has now become the second largest funder of the WHO, 2nd only to the United States. Please note how often Bill Gates crops up in the following document!

From the WHO document declaring the funding changes:

"An internal Committee on Private Sector Collaboration was established in 1999 to review the suitability and compatibility of proposals for partnership with organizational policies and guidelines".

As a side note, the current Director General of the WHO is Ethiopian Dr Tedros Adhanom Ghebreyesus. They give him the moniker of **"Doctor"**, but he is not really a medical doctor at all. In fact, he is the first World Health Organization Director-General without a medical degree. Tedros is not only a Marxist, but he was second in command of the extremely violent Ethiopian terrorist organisation **Tigray Peoples Liberation Front** (TPLF).
In a 2017 report in the Ethiopian News & Views bulletin, Adhanom was accused of committing **crimes against humanity**, accusing him of **systematic genocide** against the Amhara people. For more details see May 2017 in the document.

4th May 2009 – The World Health Organisation revises its definition of a "Pandemic"

Since 2003, the top of the WHO "Pandemic Preparedness" homepage contained the following statement: **"An influenza pandemic occurs when a new influenza virus appears against which the human population has no immunity, resulting in several simultaneous epidemics worldwide with "enormous numbers of deaths and illness."**[6] However, on the 4 May 2009, scarcely one month **before** the H1N1 **"Swine Flu"** pandemic was declared (which was very quickly proven to be a hoax!), the WHO web page was altered in response to a query from a *CNN* reporter. The phrase **"enormous numbers of deaths and illness"** had been removed and the revised web page simply reads as follows: **"An influenza pandemic may occur when a new influenza virus appears against which the human population has no immunity."** The previous **"enormous numbers of deaths and illness"** was removed!

This new definition of a pandemic allows the WHO to declare pandemics a lot more easily and therefore more frequently. Under the new guidelines (guidelines which were rigorously lobbied by Big Pharma and Bill Gates the two biggest funders of the WHO), a "pandemic" under these new guidelines does **NOT** even have to be lethal. ***EVERY*** flu season can now be classed as a "pandemic" under the new guidelines as **NOBODY** has natural immunity to any new flu variant **UNTIL** they are exposed to it and build that natural immunity – this is virology 101! These new guidelines are of no benefit to us ***"useless eaters"***, but are **EXTREMELY** profitable for the billionaire globalists and Big Pharma, oh…and the taxpayer (i.e., YOU) foots the bill…which is NICE! ***Links to the changes:***

June 2009 – H1N1 "Swine Flu" pandemic declared by The World Health Organisation

A month after revising the definition of a "pandemic", The WHO, using this new definition, declared the H1N1 **"Swine Flu"** pandemic. Big Pharma made millions selling the vaccines to terrified populations. However, this "pandemic" was soon exposed as a hoax, thanks to a CNN reporter. This instigated an investigation by **The Council of Europe**. The Council of Europe cited this alteration as evidence that the WHO changed its definition of pandemic influenza to enable it to declare a pandemic without having to demonstrate the intensity of the disease caused by the H1N1 virus. ***This revised pandemic definition remains to this day!*** Under the previous definition, Covid-19 would ***NOT*** have been classed as a Pandemic!

May 2009 – Bill Gates sponsors his "De-Population Meeting" in Manhattan

In May 2009 a group of Billionaire "Philanthropists" met behind closed doors at the home of the president of The Rockefeller University in Manhattan. This meeting was sponsored by non-other than Bill Gates and was held to address the issue of global population. Among the participants were the late David Rockefeller, Warren Buffett, George Soros, Michael Bloomberg, Ted Turner (CNN News Owner) & Oprah Winfrey. The Wall Street Journal, The Guardian and other mainstream newspapers covered this meeting. The Wall Street Journal article read: ***"Billionaires Try To Shrink World's Population, Report Says"*** Links to news articles below:

February 2010 – Bill Gates' makes his infamous "De-population" Ted Talk

A mere 9 months after his **de-population meeting**, Bill Gates gave a now infamous Ted Talk in February 2010, in which, after showing the equation ***CO2 = P x S x E x C*** where P = People, S = Services per person, E = Energy per service and C = CO2 per unit energy.

He then stated:

"This equation has four factors, a little bit of multiplication. So you've got a thing on the left, CO2, that you want to get to zero, and that's going to be based on the number of people, the services each person is using on average, the energy, on average, for each service, and the CO2 being put out per unit of energy. So let's look at each one of these, and see how we can get this down to zero. Probably, one of these numbers is going to have to get pretty near to zero"
(Upon which the audience laughed!) Hmmm, which number would that be then Bill? Would it be P=People by any chance?

He then said:

"First, we've got population. The world today has 6.8 billion people, that's headed up to about nine billion. Now, if we do a really great job on new vaccines, health care, reproductive health services, we could lower that by, perhaps 10 or 15 percent"... But Bill, aren't vaccines supposed to extend life expectancy? VERY STRANGE!

May 2010 – Rockefeller Foundation "Lockstep" report published

In May 2010 the Rockefeller Foundation published a 54-page report titled **"Scenarios for the Future of Technology and International Development"** (available on line as a pdf document, see links below). In this document it lays out "scenarios" of a Technocratic digital future for mankind (in line with Klaus Schwab's ***"4th Industrial Revolution"*** and ***"Great Reset"***).
The interesting thing about this report is that on page 18 under the heading of **"Lock Step - A world of tighter top-down government control and more authoritarian leadership, with limited innovation and growing citizen pushback"**, the "scenario" being played out in this document describes **exactly** the situation we are in today, a global pandemic with lockdowns and all the restrictions forced upon mankind, it is virtually a "cut and paste". It is as if this document was an instruction booklet to the governments of the world. It describes a hypothetical pandemic of a new strain of flu and the associated **"authoritarian"** restrictions put in place by governments. The most chilling paragraphs are as follows:

"During the pandemic, national leaders around the world flexed their authority and imposed airtight rules and restrictions, from the mandatory wearing of face masks to body-temperature checks at the entries to communal spaces like train stations and supermarkets. Even after the pandemic faded, this more authoritarian control and oversight of citizens and their activities stuck and even intensified. In order to protect themselves from the spread of increasingly global problems—from pandemics and transnational terrorism to environmental crises and rising poverty—leaders around the world took a firmer grip on power".

"At first, the notion of a more controlled world gained wide acceptance and approval. Citizens willingly gave up some of their sovereignty—and their privacy—to more paternalistic states in exchange for greater safety and stability. Citizens were more tolerant, and even eager, for top-down direction and oversight, and national leaders had more latitude to impose order in the ways they saw fit. In developed countries, this heightened oversight took many forms: biometric IDs for all citizens, for example, and tighter regulation of key industries whose stability was deemed vital to national interests. In many developed countries, enforced cooperation with a suite of new regulations and agreements slowly but steadily restored both order and, importantly, economic growth".

"By 2025, people seemed to be growing weary of so much top-down control and letting leaders and authorities make choices for them".

For those that don't know, the Rockefeller oil, pharmaceutical and banking family are at the ***VERY TOP*** of the pyramid of power on the planet (along with the Rothschilds, Morgans and Warburgs). They literally own the world and control all governments and all the media who are merely their puppets. The Rockefellers have the power, money and influence to make their "scenarios" become reality. They have ZERO empathy for mankind (the masses are referred to as "useless eaters" by these psychopaths). Document pdf download:

2010 – Moderna Inc incorporated with funding from DARPA and Bill Gates

Moderna Inc, Bio-Tech Company was incorporated in 2010, amongst its funders are the Bill & Melinda Gates Foundation (surprise surprise!) and more curiously, the extremely sinister and controversial DARPA, which is a military agency of the

Pentagon. DARPA develops hideous sci-fi technology for surveillance and killing (e.g. drones, robot soldiers, micro-wave weapons, bio-warfare, 5G etc). From Wikipedia: **"The Defence Advanced Research Projects Agency (DARPA) is a research and development agency of the United States Department of Defence responsible for the development of emerging technologies for use by the military."**
So, why would a military R&D agency (that develops technology to ***KILL*** people) fund a pharmaceutical biotech company (that allegedly develops technology to save lives) …hmmm?
Moderna have never actually brought ANY pharmaceutical product to market until the Covid "vaccines" that is. It was Moderna that developed the brand new un-tested on human beings (until now that is!) mRNA technology, hence their name **m**ode**RNA.** This technology re-programs human DNA, via messenger RNA (mRNA), to make the cells in the body manufacture whatever they wish, in the case of the Covid "vaccine", the spike protein (which is the deadly part of the virus). Your body's trillions of cells then become spike protein factories.
Moderna proudly call their mRNA "medicines" **"The Software of Life"**. I would suggest: **"The Software of Death"** to be more appropriate in view of the recent official government MHRA Yellow Card Scheme and VAERS vaccine death & injury data being released! 15 million deaths globally as of 2024 and increasing.

January 2017 - Dr Anthony Fauci warns president Donald Trump that there is "No Doubt" that he WILL be confronted with a surprise infectious disease outbreak during his presidency

In January 2017, Dr. Anthony Fauci, director of the National Institute of Allergy and Infectious Diseases, warned the Trump administration **about the inevitability of a "surprise outbreak" of a new disease**, stating that the US needed to do more to prepare. Fauci called infectious diseases a "perpetual challenge," specifically pointing out the risks of diseases that haven't been seen before.
In May 2020, Fauci warned that cities and states could "turn back the clock" and see more COVID-19 deaths and economic damage if they lift coronavirus stay-at-home orders too fast. In March 2021, Fauci warned against easing COVID-19 restrictions and called on Donald Trump to urge his supporters to get vaccinated.
How did Fauci know this **3 years before** Covid? He must obviously be a psychic medium and is obviously nothing whatsoever to do with his funding of the Wuhan Lab and illegal Gain of Function Research!

1st July 2017 - World Health Organisation appoints Ethiopian Marxist terrorist Dr.Tedros Adhanom Ghebreyesus as Director General

After much lobbying, bribery, corruption and endorsement by communist China, Bill Gates (him again!) and funding by the Tigray Peoples Liberation Front (TPLF), in May 2017 amongst much global opposition, Dr Tedros Adhanom Ghebreyesus was appointed Director General of the World Health Organisation (which is a **PRIVATE** unelected undemocratic organisation). However, Tedros has an EXTREMELY dark past indeed and is possibly the LAST person on the planet you would want to head an organisation that allegedly promotes global health! Tedros is also the first ever WHO Director General not to have a medical qualification, he does, however, have vast experience in mass murder and genocide under his belt…NICE!
Unbelievably, Tedros used to be a member of an extremely violent Marxist terrorist group in Ethiopia called the **Tigray Peoples Liberation Front (TPLF)**, which overthrew the Ethiopian government in a military coup after which Tedros appointed himself as Ethiopia's health minister! Numerous humanitarian groups have accused Tedros of **crimes against humanity** and they are seeking for him to be brought to justice for his crimes. Even more unbelievably, upon his appointment to the top job at the WHO, Tedros nominated as an ambassador to the WHO none other than Robert Mugabe, another psychopathic genocidal mass murderer! Birds of a feather eh! Fortunately, due to massive global protestation and push back against this, he backed down.
Tedros's candidacy for the WHO position was vigorously opposed by several Ethiopian parties based on his political connection and career with the TPLF terror group which provided millions of dollars from their war chest for his candidacy to the top WHO post, proving that Tedros reached the top of the global greasy pole with the help of a Marxist terror group and a mighty Communist dictatorship. Numerous human rights groups are currently after him for crimes against humanity, this is the man that heads the World Health Organisation and decides global "health" policies!!!! Would you have a "vaccine" from this psycho?

2018 – European Union launches it's "Vaccination Passport Roadmap"

In 2018 (2 years **BEFORE** the "pandemic") the European Union conveniently and very timely, launched its **"Roadmap on Vaccination"** document which timelines from 2018 to 2022 the stages of its mass vaccination plan, this covers **ALL** vaccines (vaccines that earn Big Pharma $Billions). Their ultimate plan is that everybody WILL have to have whatever vaccines our glorious leaders decide you should have whether you want them or not, there will not be a choice. If you refuse, you will suffer penalties. The first column from the document states: ***"Examine the feasibility of developing a common vaccination card/passport for EU citizens"***. The timing of this document turned out to be VERY fortunate, as virtually everything was conveniently in place just in time for the Covid "Pandemic" and the introduction of the highly controversial "vaccine passport". Of course, Big Pharma ***LOVES*** highly profitable vaccine mandates. For example, Pfizer made a record ***$37 Billion profit*** in the last quarter of 2020 thanks to their Covid "vaccines"! Whilst at the same time, the senior executives at Moderna became **billionaires** literally overnight whilst globally, hundreds of millions of businesses, jobs and livelihoods have been destroyed due to the mandated lockdowns and restrictions…NICE! However, the good news is that many of the other multi-billion-dollar globalist corporations have gained even more $billions from this global destruction of small family businesses. Corporations such as Amazon, McDonalds, ebay, Apple, Microsoft, Alibaba, Blackrock, Vanguard, the Big Tech companies etc saw their profits go into orbit. Co-incidentally, senior executives from all of these multi-billion-dollar globalist corporations are **World Economic Forum (WEF)** members! Just a co-incidence…honest! More on the World Economic Forum later!

The European Union is wholly owned and controlled by the Trans-National multi-billion-dollar globalist Corporations (especially Big Pharma, many of the EU elite have strong ties to Big Pharma), the EU is their "Bitch". They have a similar relationship as the IG Farben Industries/Nazi party relationship in Nazi Germany in WW2. The Nazi party (and indeed WW2) was engineered and financed by IG Farben Industries for their industrial conquest of Europe. IG Farben was the largest pharmaceutical, chemical & industrial cartel in the world at the time and was headed by Bayer (pharmaceutical), BASF (chemical), Hoechst (pharmaceutical-now called Sanofi) and AGFA (chemical). All of these Nazi businesses are still trading today and have huge influence over the EU. Nowadays, the modern version, the **EU Commission** draws up "directives" (i.e. laws) purely to benefit the Globalist Corporations profit agenda. The EU is effectively the political wing of the globalist Corporations. An EU insider once famously quoted on record that it was **"Impossible to swing a cat in Brussels without hitting a Pharmaceutical Industry lobbyist".** Big money buys big influence and as the saying goes "Power Corrupts – Money Corrupts Absolutely".

Below is the EU vaccination document pdf download link:

https://ec.europa.eu/health/sites/default/files/vaccination/docs/2019-2022_roadmap_en.pdf

It goes without saying, that the EU is introducing vaccine passports and mass vaccination programs (which WILL ultimately be for ALL vaccines, not only Covid) all for our benefit and health of course! The fact that the multi $Billion Big Pharma & Big Tech Corporations will massively benefit financially is another pure co-incidence, to coin their phrase…it will be a mere "side effect"!

May 2018 – "Clade X" Pandemic "Simulation"

In May 2018, the **World Economic Forum** partnered with **Johns Hopkins University** to simulate a **"fictitious"** pandemic dubbed **"Clade X"** to see how prepared the world would be if ever faced with a catastrophic pandemic. See web-link below for details:

https://www.centerforhealthsecurity.org/our-work/events/2018_clade_x_exercise/index.html

Co-incidentally, the strange word **"Clade"** was used as a name for a period in the world's history around 600 AD when there was a mass die off of the human and animal population due to a drop in atmospheric Co2 levels which caused all plant life to stop growing and mass starvation…hmmm! Plants thrive in a high Co2 environment and start to die off when it drops to around 0.4%.

2019-The Belgian "Flu Minister" Dr Marc Van Ranst gives a lecture at the Royal Institute for International Affairs London

On 22nd January 2019 (conveniently a year **before** Covid), the Belgian "Flu Minister" Dr Marc Van Ranst gave a very candid and shocking **"this is how you do it"** lecture, which was recorded on camera, at the **Royal Institute for International Affairs** in London, also known as **"Chatham House"**. Chatham House is an Elitist think tank where world political and business leaders meet to discuss global issues. In this lecture, Van Ranst clearly explains how he managed to fool the entire Belgian population during the 2009 H1N1 Swine Flu "pandemic". The Swine Flu "pandemic" was later proven to be a hoax and was subject to an investigation by the Council of Europe, which got a lot of media coverage at the time. See the May 2009 Swine Flu entry above for more details. Van Ranst laughs as he explained how easy it was to fool and terrify the entire Belgian population regarding the Swine Flu. He laughs while telling the attendees how to go about it. He also explains how he used fear mongering, out of context (i.e. fake) mortality rates and media manipulation (propaganda) to achieve this. He laughingly explains how he managed to impose the vaccine for the Swine Flu onto the frightened Belgian population. A vaccine produced by the very pharmaceutical companies that he previously worked for and a vaccine, which killed dozens of people before being withdrawn. Does any of this sound very familiar? Do you think this could still go on? Do you **really** trust authority? Among those attending this lecture were the hierarchy of the UK medical world and media such as the British Medical Journal.
This leaked video proves beyond any shadow of doubt how utterly corrupt the entire political and "health" system is. The system is driven by corruption, power, profit and greed and does not care about your health whatsoever. We, the masses are merely disposable cash cows for the governments and globalist corporations that control them.

The shocking leaked video of this lecture, from the horses mouth so to speak, can be seen at the link below:

(THIS IS A SHOCKING MUST WATCH VIDEO!!!!!!)

13th June 2019 – The World Economic Forum and the United Nations sign a "Strategic Partnership Framework" to "Accelerate The Implementation of The UN 2030 Agenda for Sustainable Development"

On 13th June 2019, 6 months before the first news broke in Wuhan, Klaus Schwab's' World Economic Forum (which is a fascistic globalist billionaires club based in Davos, Switzerland that controls and corrupts governments around the world) signed a highly controversial ***"Strategic Partnership"*** with the United Nations to ***accelerate*** the implementation of the United Nations Agenda 2030 for Sustainable Development. This partnership was met by strong opposition and condemnation from around the World and was seen as a takeover of the United Nations by the World Economic Forum (WEF). The WEF is an elite, private, unelected billionaires club serving huge corporate interests only. This agreement grants transnational corporations preferential and deferential access to the UN system at the expense of states and public interest actors.
The Civil Society condemnation of the agreement was made in an open letter in September 2019 that said it ***"delegitimizes the United Nations and weakens the role of states in global decision making"***. This preferential access would undermine the mandate of the UN as well as its independence, impartiality and effectiveness in holding businesses to account.
Gonzalo Berron of ***Transnational Institute***, one of the key organisers of the open letter said, ***"This agreement between the UN and WEF formalises a disturbing corporate capture of the UN. It moves the World dangerously towards a privatised and undemocratic global governance".***
Harris Gleckman, a former UN official and senior fellow at the University of Massachusetts says, ***"This strategic agreement is a coup for the corporate leaders at Davos, but what does it offer the UN and the international community? This gives some of the most controversial corporations unprecedented access to the heart of the UN, yet it has not even been properly discussed by the UN's country members and certainly not by the broader public".***
Although corporate interest has long been wielded in the UN system, under the new terms of the UN-WEF partnership, the UN will be permanently associated with transnational corporations. In the long term, this would allow corporate leaders to become **"whisper advisors"** to the heads of the UN system departments. This was blatantly exposed during the pandemic, during which Big

Pharma had massive influence over the UN, the WHO (which is a UN organization) and governments globally. Money buys power & influence. This merger of state and private corporations is also known as ***fascism***, a doctrine created by Mussolini in fascist Italy and adopted by the Nazis in Germany with the IG Farben cartel as their paymasters.

September 19th 2019 President Donald Trump Signs Executive Order EO 13887

One month **before** the now infamous "Event 201" pandemic "simulation" exercise (see below) and 3 months **before** Wuhan "patient zero", US President Donald Trump signs executive order EO 13887 titled **"*Modernizing Influenza Vaccines in the United States to Promote National Security and Public Health"***. In summary:

- Trump signed Executive Order 13887 **well before** COVID hit.
- It set the stage for mRNA and DNA experimental injections.
- It turned over the design, manufacturing and distribution of these injections to the military.
- It set up a huge private-public partnership with Big Pharma.
- It set up a task force co-headed by the Secretary of Defence.
- "Operation Warp Speed" confirmed the design, manufacturing and distribution of the injections by the military (Moderna, the designer of the mRNA technology was partly funded by DARPA, the military division of the Pentagon).

October 18th 2019 – "Event 201" a simulation of a hypothetical Coronavirus Pandemic held in New York

On October 18th, 2019, the World Economic Forum (how predictable!), John Hopkins University (surprise, surprise) and The Bill & Melinda Gates Foundation (him again!) ran the now infamous **"simulation"** table-top exercise called **"Event 201"**. It was a simulation of a hypothetical **"novel Coronavirus pandemic"** and was held in New York. The aim was to predict how the World would react to and to suggest ways to respond to a Coronavirus "pandemic" (lockdowns, social distancing, masks, mandatory vaccinations etc). This **"simulation"** took place ***6***

weeks before the first news broke in Wuhan about you guessed, …a Coronavirus breakout, how convenient! It appears to have been yet another instruction manual for governments. Yet another piece in the jigsaw of truth!

Below is the official link to Event 201:
https://www.centerforhealthsecurity.org/event201/scenario.html
And the official video:
https://www.youtube.com/watch?v=LBuP40H4Tko&t=34s
From the Center For Health Security Website about Event 201:

"Event 201 is a pandemic table-top exercise hosted by The Johns Hopkins Centre for Health Security in partnership with the World Economic Forum and the Bill and Melinda Gates Foundation on October 18, 2019, in New York, NY. The exercise illustrated the pandemic preparedness efforts needed to diminish the large-scale economic and societal consequences of a severe pandemic. Drawing from actual events, Event 201 identifies important policy issues and preparedness challenges that could be solved with sufficient political will and attention. These issues were designed in a narrative to engage and educate the participants and the audience".

2019 – Bill Gates patents "ID2020" Technology. Patent No W0/2020/060606

In 2019, Microsoft applied for a patent on technology called ID2020 see website: https://id2020.org . Its patent number was rather sinisterly numbered 060606! Of course this fuelled "conspiracy theories" about chipping humans with Bills "vaccine" and the link with 5G. Of course many of the "unbiased" "fact checkers" jumped on the bandwagon, and below is a comment from fullfact.org.
https://fullfact.org/online/bill-gates-patent-microchips/

"There is a genuine patent Microsoft applied for in 2019, numbered W0/2020/060606. The application does mention technology allowing for people's activity to be monitored in exchange for crypto currency, but there is no mention of implanted chips. The patent application has not yet been granted."
The "fact checkers" **cannot deny the patent and its 060606 number** (p.s. what's the mark of Satan by the way?) or that it allows **"people's activity to be monitored"**. Sounds wonderful to me, a huge leap forward in human rights, civil liberties, privacy and freedoms obviously! One thing the "fact checkers" failed to mention is that the Covid "vaccines" contain Graphene Hydroxide nano-particles which are now proven to be the **SECRET** ingredient that Gates has referred to many times in TV interviews. Well, it isn't secret now and has recently been **proven** scientifically by independent laboratories along with documented evidence. Many scientific research papers show that Graphene conducts, transmits and receives microwave radiation very well (such as mobile phone microwave radiation 4G, 5G etc). Graphene is used in RFID "Nanotechnology" for this very reason; it can be a microscopic SIM card. Nothing to worry about, I am

sure! There must be a genuine reason to inject highly toxic Graphene Hydroxide into people's bodies. Perhaps it kills Covid!
Even though Gates was a **very** good friend of Jeffrey Epstein (as were many other WEF members) and a regular visitor to his island (purely for drinks of course!) I would definitely trust him to save humanity with one of his "warp speed" "vaccines", I am certain his history of openly wanting to de-populate the planet wasn't serious, perhaps he's changed his mind! After all, his "vaccines" are voluntary, aren't they? Oh no, sorry, they are putting a gun to your head to take them (well not quite yet but give them time). Such a wonderful "philanthropist" is our Bill!
In Sweden, thousands of stupid people have volunteered to be micro-chipped using a nano-technology RFID implantable chip that is injected in the skin between the thumb and forefinger. See the EU fact checker website:

This ID2020 "track and trace" style technology all makes sense, as it will perfectly complement the soon to be introduced Central Bank Digital Currency (CBDC) programmable cashless currency system which will fully integrate with the EU vaccine passport, track and trace, carbon credit & social credit score along with your banking. Nov 2019 - U.S. Department of Defence awards a contract for "COVID-19 Research" in Ukraine 3 months before Covid was even known to exist!

The world first started to hear about a "Novel Coronavirus" in early January 2020, with reports of an alleged new pneumonia like illness spreading across Wuhan, China. However, the world did not actually know of "Covid-19" until February 2020, because it was not until the 11th of that month that the World Health Organisation officially named the novel coronavirus disease as Covid-19.

So with this being the official truth, why does the United States Government data show that the U.S. Department of Defence (DOD) awarded a contract on the 12th November 2019 to ***Labyrinth Global Health INC***. for 'COVID-19 Research', at least one month before the alleged emergence of the novel coronavirus, and three months before it was officially dubbed Covid-19?

The shocking findings, however, do not end there. The contract awarded in November 2019 for "COVID-19 Research" was not only instructed to take place in Ukraine of all places, but it was also in fact part of a much larger contract for a "Biological threat reduction program in Ukraine".

Perhaps explaining why Labyrinth Global Health has been collaborating with Peter Daszak's Eco Health Alliance, and Ernest Wolfe's Metabiota since its formation in 2017.

March 2020 – Covid-19 pandemic declared by The World Health Organisation

Using the amended WHO "pandemic" definition (see May 2009) On 11th March 2020, WHO Director General Dr. Tedros Adhanom Ghebreyesus (the medically unqualified Marxist genocidal terrorist) declares to the world a global "pandemic" of a "novel" Coronavirus called Sars-Cov2, this is **exactly** as **"simulated"** in the **"Event 201"** exercise undertaken a mere 4 months earlier! Yet another very lucky co-incidence of course! This fired the starting gun for the "race for the vaccine", "operation warp speed" etc. Kerching Kerching for Big Pharma, Gates and Fauci. In reality, the "vaccine" had been ready for years as freedom of information requests have now proven. Covid 19 was created for the vaccine, not vice versa! The "pandemic" was all about getting that jab into as many humans on the planet as possible, in as quick a time as possible and by force if necessary.

Dec 2020 – The World's first Covid "Vaccine" administered

On 8th December 2020, a mere 9 months after **"operation warp speed"** started, the World's first Covid-19 "vaccine" was given to 91 year old Margaret Keenan in the UK. It was the Pfizer BioNTech messenger RNA (mRNA) gene therapy "vaccine". These vaccines are not merely a tweaked "traditional" flu vaccine as many believe, they are experimental mRNA gene therapies, which work by re-programming the human DNA so that it instructs the cells in the body to manufacture the "spike protein" part of the Covid-19 virus (i.e. the spiky bits), the theory being (and it is only a theory) that the body will build immunity to it. However, this spike protein is now known to be highly toxic, particularly to the vascular system (blood clotting, myocarditis, pericarditis, strokes, heart attacks, paralysis, blindness etc). This is clearly being seen in the US Vaccine Adverse Event Reporting System (VAERS) data and the UK Government MHRA "Yellow Card" Scheme data, which is now looking shocking.
Miraculously, the usual pharmaceutical gold standard of 10 to 15 years for Phase 1, 2 and 3 double blind placebo safety trials on any new drug for a new disease were condensed into an unbelievable 9 months! Side effects or **"adverse events"** of any new pharmaceutical product can take many years to manifest, these are the very reasons why safety trials take years to complete and it is impossible to simulate time. In the very short 3-month human trials of these "vaccines" NO

children and NO pregnant women took part, so who knows what the effect will be on them. Long-term safety and efficacy is still unknown and CANNOT be proven, whatever the official narrative says. What is even more concerning is that these "vaccines" are the first in the world to use mRNA technology (developed by **m**ode**RNA**), which has NEVER been used in humans before. All of the Covid vaccines are still officially in clinical trials, which are due to be completed in November 2023 (still 7 years shorter than usual!), in the meantime those who take the vaccines are unwittingly human Guinea Pigs, taking part in the largest human medical experiment ever & it's not looking good so far. Fortunately, for the Pharmaceutical Giants involved, all of the vaccines have been given **"Emergency Use Authorisation (EUA)"** which allows them to go straight to market WITHOUT the usual 10 years+ of safety trials. Also, under EUA, the pharmaceutical companies are **INDEMNIFIED** from **ANY** liability should these "vaccines" kill or injure the recipients, this is the reason why you have to sign a declaration when you receive them (but sadly, very few read the small print!). So, from Big Pharma's point of view, these "vaccines" are manna from heaven, ZERO LIABILITY, minimal cost in R&D and guaranteed sales in the multi-billions. All thanks to the World Health Organisation that they own and the regulatory authorities such as the US FDA, UK MHRA etc, all of which are funded and controlled by Big Pharma anyway!

2021 - Klaus Schwab's World Economic Forum announces the "Great Reset" of the World on the back of the Covid pandemic

In January 2021 in Davos Switzerland, Klaus Schwab at the World Economic Forum (the unelected Megalomaniac Billionaire Globalist Club funded by over 1500 of the World's largest trans-national corporations) announced the now infamous ***"Great Reset"***. The globalists used the "Pandemic" as quote: **"a narrow window of opportunity to reset the world"**. This is what we are living through now and will be doing until their end game in 2030 (if they get away with it). It brings together Schwab's **"Fourth Industrial Revolution"** (replacing mankind with artificial intelligence and robots and also the merging of man and machine aka "trans-humanism") and of course the utterly evil **United Nations Agenda 21 and Agenda 2030** (which both promote human de-population to save the planet).

See the separate **"What You Need To Know About The Great Reset"** document for a full rundown of the **"Great Reset"**, the World Economic Forum and these global plans. It is fully referenced with links to documents and videos etc. In the meantime, expect constant new fake variants and/or new "pandemics" to justify constant lockdowns (to destroy small businesses), mask wearing (to symbolize control & obedience) etc until at least April 2025 which is when the **"Covid**

Project" is planned to end according to a document by the World Bank (another Globalist run organisation).

Lockdowns **ARE NOTHING**, repeat, **NOTHING** to do with human health or to stop any virus spreading. Lockdowns have NEVER been a part of any global pandemic preparedness plan ever, until 2020 that is. There is ZERO scientific evidence that lockdowns reduce transmission-ZERO. They ARE, however, a critical part of the global **"Great Reset"** agenda to destroy small and medium businesses whilst the huge globalist corporations such as Amazon, Ebay, Alibaba get even bigger as they mop up the new business. The many millions made redundant due to the lockdowns will then become reliant on the state for survival, having lost their independence. Which is an ideal scenario for any dictatorship in the making.

The **only way** to stop this evil plan is for mankind to wake up to the fact that your government **DOES NOT** act in your interests and is following a global script, your government **DOES NOT** serve you, it serves corporate interests….END OF. **DO NOT COMPLY** to any of the constantly changing and increasing ridiculous authoritarian government Covid rules, say **NO** to "social" distancing, **NO** to masks and definitely **NO** to any "vaccines" and leave your house when **YOU** want to, not when the dictators say you can. **COMPLIANCE IS CONSENT!** That is how the Nazis took power so effectively in the 1930s. Why do you think the government themselves are constantly breaking their own Covid rules? Because they know the hidden agenda, the end game, and it's nothing to do with a virus! **WELCOME TO "THE GREAT RESET".**

September 2021 – The US CDC (Centre for Disease Control) changes its definition of "vaccine" & "vaccination"

The CDC caused uproar in early September 2021, after it changed its definitions of ***"vaccination"*** and ***"vaccine."*** For years, the CDC had set definitions for vaccination/vaccine that discussed immunity. This all changed on September 1, 2021.

The old CDC Definitions of Vaccine and Vaccination (August 26, 2021):

Vaccine: *A product that stimulates a person's immune system to produce immunity to a specific disease, protecting the person from that disease. Vaccines are usually administered through needle injections, but can also be administered by mouth or sprayed into the nose.*

Vaccination: *The act of introducing a vaccine into the body to produce immunity to a specific disease.*

The CDC Definitions of Vaccine and Vaccination since September 1, 2021:

Vaccine: *A preparation that is used to stimulate the body's immune response against diseases. Vaccines are usually administered through needle injections, but some can be administered by mouth or sprayed into the nose.*

Vaccination*: The act of introducing a vaccine into the body to produce protection from a specific disease.*

People noticed this change. Representative Thomas Massie was among the first to discuss the change, noting the definition went from "***immunity***" to "***protection***". They also changed the wording so that vaccines no longer produce

immunity to a disease, but only stimulate the immune system to fight it. To many observers, it appeared the CDC changed the definitions because of the proven waning effectiveness of the COVID-19 vaccines.

For example, the effectiveness of the Pfizer vaccine falls over time, with an Israeli study reported in August 2021 as showing the vaccine being "*only 16% effective against symptomatic infection for those individuals who had two doses of the shot back in January.*"

The CDC recognizes the waning effectiveness, thus explaining their promotion of booster shots. Of course, the usual suspects defended the CDC. The Washington Post, for example, cast doubt that the CDC changed the definition because of issues with the COVID-19 vaccines. The CDC tried to downplay the change, stating "*slight changes in wording over time … haven't impacted the overall definition.*"

2022 -The World Health Organisation Proposes a Global "Pandemic Treaty"

Prior to the Covid-19 "pandemic", the previous global pandemic was around 100 years earlier, the Spanish Flu in 1918. Bill Gates, the CDC and the WHO have publicly stated that there ***WILL*** be another pandemic and that it will be more severe than Covid-19. Bill Gates quoted the following in an interview on national television regarding the next pandemic:

"And the next one.....that will REALLY get their attention"

After this comment, Gates and his wife smirked! See Gates' comments at 3 mins 40 seconds into the video below ***"The Next Pandemic – Bird Flu"***:
https://www.youtube.com/watch?v=MRIZeSq7r6Q
Also, in the video above, former CDC Director Robert Redfield (Gates' mate) stated that Bird Flu will jump to humans and be highly fatal in the coming ***"Great Pandemic"***, for which Covid19 was a mere warm-up act.
Isn't it strange how nature works? No pandemic for 100 years and then one after another, which the global elite seems to be able to predict with uncanny accuracy. Nothing to worry about, nothing to do with de-populating the planet I am sure, just a mere co-incidence.
Covid-19 was a mere **"warm up act"** for the globalist elites to refine their process and to condition the masses into being compliant and to normalise the tyranny for their main act, which is to come soon – Bird Flu, Monkeypox, AIDS, Marburg or Disease X which, as Gates said, **"will REALLY get their attention".**
Bill Gates, Fauci, The CDC, The NIH and the WHO are so utterly convinced that there **WILL** be another pandemic that the private World Health Organisation

(which is owned and controlled by Gates and Big Pharma) is rushing through their **"International Treaty on Pandemic Prevention and Preparedness",** sounds innocent enough eh, very humanitarian of them?.....Until you look at the details that is!
No doubt there is yet another experimental mRNA DNA altering highly toxic vaccine already in the pot ready to go to make Pfizer et al even more $billions for this next pandemic. Smell the coffee yet?
In the Covid-19 "pandemic", each individual government introduced its own restrictions such as the "social distancing", lockdowns, mask wearing, vaccine mandates etc. The WHO only gave "guidance". Some countries, for example, Australia, Canada, Italy, France, New Zealand and of course China introduced severe authoritarian draconian measures enforced by brutal police action which destroyed people's lives, businesses and the economy and indeed it still is, whilst the likes of Sweden effectively ignored it (and as a consequence had one of the lowest infection rates in Europe!). For example, the lockdowns alone are directly responsible for making 15 million Americans unemployed, destroying their livelihoods; if you asked any of these 15 million people if they would prefer to have had Covid (which has a 98%+ survival rate for the under 65s, the same as the common flu) or their job, what do you think their answer would be?
Fortunately, in the UK, so far, we have got away with it quite lightly in comparison (Johnson isn't a WEF "Young Global Leader"). Co-incidentally, all of the countries mentioned above have leaders, who have attended the World Economic Forum "Young Global Leaders" School, which Klaus is so proud of, and which itself has extremely sinister motives to say the least. Unfortunately, our new PM Sunak **IS** a WEF "Young Global Leader".
Under this "proposed" WHO Pandemic Treaty, which is to be voted on in May 2024, all of this will change, and it definitely will not be for the better for the global population. If the WHO member states vote this treaty in and it comes into force, all future "pandemics" will be entirely managed by the WHO (which is a **private,** unelected and undemocratic organization controlled by corporate interests). All national sovereign governments will be nullified and ALL future restrictions, mandates and laws will be dictated by the WHO, which will be given the power to over-rule all democratically elected sovereign governments (this is also known as fascism). Even more worrying is that under this bill; governments will be given financial incentives to look for pandemics (which may or may not be viral in nature) and to highlight them.
This will encourage MORE pandemics; it will lead to a "pandemic hunter" culture within government. Also under this proposed treaty, if any member country does not comply with the WHO dictated response measures, that country will suffer financial penalties including sanctions.

A few of the many powers this treaty will hand over to the WHO are as follows:

1. Legalise liability-free experimental unlicensed vaccines
2. Impose vaccine mandates upon the population
3. Impose quarantines (especially on the un-jabbed)
4. Impose lockdowns at will
5. Impose border closures (like in Australia during the "pandemic")
6. Restrict effective treatments e.g. Ivermectin and Hydroxy-chloroquine

7. Restrict information available to you and your doctor
8. Surveil online activities and censor any disagreement with the WHO official narrative – the only narrative is the WHO narrative. Very NAZI!
9. Impose vaccine passports/digital ID's
10. Impose mandatory testing

Of even more concern is that if the WHO dictates that every citizen must have a vaccine and/or pharmaceutical intervention no matter how experimental or dangerous, then you will have to have it or suffer the consequences. This is medical fascism and nothing to do with health but all to do with corporate profit and global control. You must realise that the WHO is a **PRIVATE** organisation funded predominantly by the huge pharmaceutical corporations, the Bill and Melinda Gates Foundation and other global corporations; there are enormous conflicts of interest at play. He who pays the piper calls the tune! In Bill Gates' new book (03/05/22) **"How to Prevent the Next Pandemic"** he emphasises that the WHO needs to take control of any future pandemic (which he guarantees we WILL have!). Gates is the second largest donor to the private WHO and is also the one who will benefit most financially from any mandatory vaccines that they push on the population!
Under this "Pandemic Treaty", the WHO will effectively become an unelected and unaccountable global government. Citizens will have zero recourse for protest. National sovereignty, freedoms, bodily autonomy, free speech and democracy will be abolished.

A petition and open letter to King Charles II has been set up online, as this **illegal** treaty, if passed, would break the Kings Oath, the Magna Carta and the British Constitution. Details and the letter can be seen at the links below:

31st May 2023 - North Korea elected onto the World Health Organisation Executive Board

Unbelievably, In May 2023, North Korea was elected a seat on the WHO Executive Board! Yes, you read correctly, North Korea, the country that George W Bush called an "axis of evil" now has influence over global "health" policy! This now allows the current supreme leader of North Korea, Kim Jong Un, another genocidal madman, to influence the WHO's agency, policies and appointments, which potentially includes an eventual replacement for current Director General, the Marxist genocidal terrorist Tedros Adhanom Ghebreyesus. When Tedros was controversially appointed director general of the WHO in 2017 (see 2017 entry), he nominated Robert Mugabe as an ambassador to the WHO but had to back down due to the backlash. He now has none other than Kim Jong Un as a member of his executive board, another communist genocidal maniac! The WHO is slowly being taken over/already taken over by murderous communist dictators, the ideal people you want to dictate global "health" policy, I am sure. Does this make you feel at ease that your health, freedom and bodily autonomy is in safe hands?

McCaul Statement on North Korea Being Elected to WHO Executive Board

Media Contact 202-226-8467

Washington, D.C. — House Foreign Affairs Committee Chairman Michael McCaul issued the following statement on the election of North Korea to the Executive Board of the World Health Organization (WHO).

"The election of North Korea to the Executive Board of the World Health Organization is yet another example of communist influence on the WHO and of the WHO's failure to uphold its policies and good governance standards. Taiwan and South Korea would be far better picks than the murderous North Korean regime, which has no qualifications as a global health leader."

June 2023 – The European Commission and the World Health Organisation launch "digital health partnership" to "strengthen global health security"

On 5th June 2023 the World Health Organisation and the European Commission announced to the world the launch of **"a landmark digital health partnership"**. From the WHO website:

"In June 2023, WHO will take up the European Union (EU) system of digital COVID-19 certification to establish a global system that will help facilitate global mobility and protect citizens across the world from on-going and future health threats, including pandemics. This is the first building block of the WHO Global Digital Health Certification Network (GDHCN) that will develop a wide range of digital products to deliver better health for all."

This EU, WHO "partnership" has been in the making for many years, well before Covid. Remember in 2018 the EU drew up EU Vaccination Passport Roadmap? This, as the above statement makes clear is the ***"first building block"*** in the globalists wet dream plan for the digital enslavement of mankind.
In a nutshell, the plan has ALWAYS been to have every human on the planet (apart from the globalists themselves of course) digitally certified and "tracked and traced" 24 hours a day, 7 days a week, 365 days a year forever. Every human on the planet will have to have a digital health passport to merely live day to day, the Covid Vax passports during the "pandemic" were merely a trial to perfect the technology and more importantly, to test compliance levels of the masses.
This "vaccine passport" will ultimately link with your Central Bank Digital Currency (CBDC) cashless digital smart money, social credit score and your universal basic income. If you refuse to have ANY vaccine or medication dictated by the state (no matter how toxic or experimental), you will be treated as a health threat to society and will suffer punitive measures in true Orwellian 1984 style. For anybody who refuses to obey these "health" mandates, the passport system will allow the state to restrict your personal travel, prevent you entering public places such as shops, pubs, cinemas etc (just as they tried in the "pandemic" to normalise it to the masses). It will also be able restrict you financially via the Orwellian CBDC and punish you via your social credit score in true Communist China style.
During the "pandemic", the vax was forced upon the population via fear, propaganda, coercion and the threat of even losing your job; all were ILLEGAL under the Nuremburg Code, which was written into law after the Nazi atrocities in WW2 (which also included forced medication). This EU/WHO "digital health initiative" will massively increase state CONTROL over your entire life, destroy your health and massively increase the profits of the Big Pharma criminals.

***7th August 2023 the UK Health Security Agency (UKHSA) launches the "Vaccine Development Evaluation Centre" at the UK military's secretive and highly controversial Porton Down chemical and biological warfare laboratories*.**

The highly secretive and controversial UK Ministry of Defence chemical and biological warfare labs at Porton Down in Wiltshire have now been given the task of developing "vaccines" for the **next** pandemic that Gates and the WHO are telling us WILL happen. Porton Down have been involved in many crimes and illegal activities over the years including human experimentation on British Soldiers with biological agents leading to deaths and injuries for which they were sued and had to pay compensation. The military will be given the task of rapidly rolling out these jabs in the next "pandemic". Of course, the WHO will be in total control of the next one.

May 2024 - Member States to Vote on The World Health Organisations' International Health Regulations Amendments & The "Pandemic Treaty"

From the WHO website regarding the IHR amendments and "Pandemic Treaty"

"The IHR are an instrument of international law that is legally-binding on 196 State Parties, including the 194 WHO Member States. The IHR, in their version adopted in 2005, have been amended twice – in 2014 and 2022 (the most-recent amendments will come into force in May 2024). The newest proposed amendments come in response to the challenges posed by the COVID-19 pandemic". Source at the link below:

https://www.who.int/news/item/07-10-2023-governments-make-progress-towards-agreeing-amendments-to-the-international-health-regulations-(2005)

If these amendments and the "Pandemic Treaty" are voted in by **YOUR** government, The Big Pharma/Bill Gates controlled World Health Organisation will be handed 100% power in the event of the "next pandemic". Using the new dumbed down pandemic definition, the WHO will have the power to declare a pandemic at will and even the annual flu season will be enough to trigger one. Once they have declared a "pandemic", the WHO will effectively become the

World Government (hmmm, how convenient!). All democratically elected, sovereign governments will be nullified and overruled. The WHO will be given unlimited powers to enforce the pandemic responses upon member states and their citizens whether they agree or not and no matter how damaging to the economy, the planet and to life itself.
If signed into law, these amendments and the "Pandemic Treaty" WILL guarantee another "pandemic" along with all the associated lockdowns, mandatory vaccines, masks and of course the globalists wet dream of digital ID's, vaccine passports, central bank digital currencies and a China style "social credit" system. This time the tyrannical laws will be far more severe, and significantly, many more businesses will be decimated along with huge unemployment… all of this is part of Klaus Schwabs **"The Great Reset"** which is a global plan using man-made CO2 and pandemics to terrify the population into believing **"we're all going to die"** to justify forcing upon humanity an Orwellian style One World Government dictatorship. The Covid-19 pandemic was merely a dress rehearsal to lay down the technocratic foundations such as the "track and trace" and "vaccine passport" technology (which cost taxpayers £billions) and to **programme** the public to **obey** authority in readiness for the main act, which requires these regulations to be signed into law before it can be carried out with brutal force.
If the WHO pandemic treaty is signed into law in May 2024, there WILL be another engineered "Pandemic", they have said so themselves and it is being planned, H5N1 "Bird Flu" is currently being touted by the controlled media.
If this treaty fails to be signed into law, the WHO will become powerless and governments worldwide will remain answerable to their electorate – this is called DEMOCRACY, a concept that governments worldwide seem to be dismantling piece by piece. Our politicians are clueless puppets following orders and very few if any are aware of the FACTS in this document. The irony is that **all politicians and their families** will also suffer the consequences of their voting along with the rest of us – KARMA.

See the WHO whistle-blower video below:

"THE PLAN" *shows the official agenda of the World Health Organisation, which is to have ten years of on-going pandemics, from 2020 to 2030.*
This is revealed WHO whistle-blower virologist, Marion Koopmans.
For the globalists to re-build the world to benefit them, they first need to destroy the existing world. This will then usher in a One World Government dictatorship which will be the United Nations / World Health Organisation.

Throughout history going back thousands of years, governments globally have always yearned to transfer power away from the people and to impose dictatorships. One of the most tried and tested methods used for thousands of years is known as **Problem Reaction Solution**. The government creates a **Problem** (which may or may not be real), this causes a **Reaction** from the population who then demand the government do something about it. The government then come up with the **Solution**, a **Solution** which is what they wanted all along. The solution generally involves loss of freedoms and liberties “for our own good”. This method predominantly uses fear propaganda to allow governments to get away with actions that would otherwise cause civil unrest or even a revolution.
In this case, a global pandemic will lead to the solution globalists have wanted for centuries – an unelected, un-democratic global dictatorship. A One World Government also known as The Great Reset. “Build Back Better”!

Terrifying Facts about the World Health Organisation (WHO) that Your Government Doesn't Want You to Know

Apart from it's highly controversial, Robert Mugabe loving, genocidal Marxist former TPLF terrorist Director General, Dr Tedros Adhanom Ghebreyesus and the recent election of none other than North Korea (YES REALLY) to the WHO Executive Board, there are far more highly suspicious, questionable and controversial aspects to the WHO that you need to know.
Firstly, the WHO is a part of the highly controversial United Nations (UN) that aspires to ultimately be the future World Government. The UN & WHO were set up after World War 2 to allegedly strive for world peace and health, this obviously hasn't worked so far but to be fair they have only been at it 76 years, give them time!
The WHO has 194 member countries. For any country to be accepted as a member it ***must agree*** to the WHO constitution.
From the WHO website: https://www.who.int/about/who-we-are

"We are champions for healthier, safer lives".

"Our team of 8000+ professionals include the world's leading public health experts, including doctors, epidemiologists, scientists and managers. Together, we coordinate the world's response to health emergencies, promote well-being, prevent disease and expand access to health care. By connecting nations, people and partners to scientific evidence they can rely on, we strive to give everyone an equal chance at a safe and healthy life".

Look at the list of 194 member countries and see if any of them ring alarm bells to you or appear slightly suspicious. https://www.who.int/countries
Among the list of 194 member countries that allegedly ***"are champions for healthier, safer lives"*** striving for ***"safer lives"*** and ***"to give everyone an equal chance at a safe and healthy life"*** are countries that are currently or have been deadly enemies with each other (allegedly!) that have been at war in the past, some that are currently at war with each other, and some involved in a "cold war" threatening World War 3 Armageddon! Countries that between them have collectively been responsible for the slaughter of millions of innocent people in their wars, this obviously includes the US, UK and other European nations.
Some of the most despotic, tyrannical, murderous dictatorships on the planet are WHO members, many of which are currently committing crimes against humanity include:
Afghanistan, China (of Wuhan Lab leak fame!), Iran, Iraq, Israel, South Korea, Libya, Russia, Rwanda, Saudi Arabia, Syria, Ukraine and of course the icing on the cake - **North Korea** (aka Democratic People's Republic of Korea) who were elected to the WHO executive board in 2023 – Yes really, the very North Korea that spends millions on nuclear weapons whilst its own population starves to death, not a joke honest!!!!

From that list of WHO members:

We currently have Russia and Ukraine, both WHO members that allegedly ***"are champions for healthier, safer lives"*** striving for ***"safer lives"*** and ***"to give everyone an equal chance at a safe and healthy life"*** blowing each other to pieces thanks to military help from other WHO members such as the US, UK and EU countries – Are the WHO goals currently being achieved one must ask?
Also, we have Israel as a member who allegedly ***"are champions for healthier, safer lives"*** striving for ***"safer lives"*** and ***"to give everyone an equal chance at a safe and healthy life"*** currently committing genocide in Gaza thanks to military help from other WHO members such as the US, UK and EU countries - Are the WHO goals currently being achieved one must ask?
And of course, we also have the 3 George W Bush **"axis of evil"** countries as WHO members – North Korea, Iran and Iraq. All of which have agreed to the WHO constitution and allegedly ***"are champions for healthier, safer lives"*** striving for ***"safer lives"*** and ***"to give everyone an equal chance at a safe and healthy life".***
So, we have the outrageous situation where the likes of Russia, Ukraine, Israel, Iran, China etc meet annually at the WHO headquarters in **"war neutral"** Switzerland as WHO members and as ***"champions for healthier, safer lives"*** to ***"give everyone an equal chance at a safe and healthy life"*** to form global "health" policies.
Then they all return home and continue their ongoing mass slaughter of the human population and crimes against humanity – very nice of them!
The fact is, if the WHO **"Pandemic Treaty"** is voted into law by your government at the end of May 2024, then this group of genocidal maniac dictators will legally have full control of global health policy (and NHS policies) and will dictate **all** responses to future pandemics, over-ruling all democratically elected governments! Your "health" will be in the hands of the likes of Kim Jong Un, Xi Jinping, Benjamin Netanyahu, Vladimir Putin, Volodymyr Zelenskyy and of course Bill Gates amongst others. All are well experienced in genocide and crimes against humanity. Does this make you feel at ease that your health is in good hands? Are these the people YOU would select to dictate your health?
Now, anyone with more than one brain cell on active duty must surely question the World Health Organisations motives. Does the WHO and its unsavoury collection of member countries really strive for ***"safer lives"*** and ***"to give everyone an equal chance at a safe and healthy life"***, are they really ***"champions for healthier, safer lives".***
Also, add into the mix, the fact that Mr "Population Reduction" self-appointed "vaccine tsar" himself - Bill Gates is the second largest funder of the WHO and it paints a very interesting picture. Connects the dots so to speak.
Looking at these FACTS, what does it look like to you? Would you trust the WHO with your health?
Makes you think (I hope!) doesn't it?
The biggest threat to mankind is not CO2, climate change, the Russians, Iranians, China or even Aliens! The biggest threat comes from two utterly evil organisations based in **"war neutral"** Switzerland, the World Economic Forum (WEF) in Davos and The United Nations controlled World Health Organisation

(WHO) in Geneva, both openly call for a reduction in the human population to save the planet.

These are the true enemies of mankind; they are becoming the unelected, undemocratic world government by stealth, which the globalists want in place by 2030 at the latest.

Bill Gates' next "Pandemic" - H5N1 "Bird Flu" will be the convenient scapegoat for the collapse of the global economy and financial system. The Russians, Hamas, Iran, China, Brexit, climate change and any other scapegoat they can think of will also be blamed. When in fact, the central bankers and their debt-based FIAT currency system is the culprit. Collapse is baked into the cake of all FIAT debt-based currency systems and is irreversible. 6000 years of history has shown this. We are nearing the end of the global debt-based FIAT currency experiment which started in 1971 when Nixon removed the gold standard from the US dollar, the worlds reserve currency. This gave the green light to central bankers to "print" currency out of fresh air backed by nothing of intrinsic value creating inflation, recessions and insanely massive global debt.

CAN YOU SMELL THE COFFEE YET? (OR MAYBE AN EXTREMELY LARGE RAT!)

DOES ANYTHING APPEAR SUSPICIOUS TO YOU?

IF NOT, CARRY ON BELIEVING & OBEYING AUTHORITY, WEARING YOUR MASKS, TAKING ALL OF THE JABS & BURYING YOUR HEAD IN THE SAND.

ONE THINGS FOR CERTAIN, YOU WILL EVENTUALLY FIND OUT THE SHOCKING TRUTH…. HOWEVER, IT MAY WELL BE TOO LATE.

WHEN GOVERNMENT IS SCARED OF THE PEOPLE THAT IS DEMOCRACY. WHEN THE PEOPLE ARE SCARED OF GOVERNMENT THAT IS TYRRANY.

Albert Einstein famously quoted:

"Unforgiving Respect for Authority is The Greatest Enemy of The Truth"

This quote has never been more appropriate than NOW!

FREEDOM IS A BIRTHRIGHT, NOT SOMETHING GIVEN TO YOU BY AUTHORITY. THINK FOR YOURSELF, DON'T LET AUTHORITY & THE MEDIA DO IT FOR YOU!

Of course, all the above 28 pages would be instantly dismissed as "fake news" by "authority" even though it's from their own sources! Anyone who believes the truth must therefore be a far right, anti-Semitic, anti-vaxxer extremist domestic terrorist! I say the globalists need to look in the mirror then!

Remember: The most powerful word in any language is **NO**!

Do NOT Comply with ANY of the fascistic rules in the next Plandemic to protect what little freedoms we have left. Most importantly, DO NOT take any jabs or "vaccines" these eugenicist psychos will be pushing onto us and ignore the media fear porn propaganda which no doubt will massively ramp up this year.
